

TUESDAY FEBRUARY 26, 2013

- ★ Average home values in District 67 have fallen, meaning residents have lost a significant amount of their own money, and yet District 67 bureaucrats expect you to pay even more in property taxes.
- ★ Voters have **already refused** to approve this \$327 property tax increase—**twice!**
- ★ Politicians are **wasting taxpayer money** by putting this on the ballot a third time.
- ★ The days of special deals for government employees **must end**—educate the government educators by voting NO!

80% of District 67 spending is for salaries and benefits of government employees!

See the other side of this flyer for the top taxpayer-funded salaries and pensions in District 67.

Tax-hungry politicians and government employees are **trying to pass this property tax increase referendum during the primary when voter turnout is expected to be low.** If only 10% of the people in District 67 vote, government employees can pass this referendum all by themselves.

Polls open from 6am to 7pm on Tuesday, February 26, 2013.
