TO DEFEAT THE **\$13 MILLION** KANE COUNTY
PROPERTY TAX INCREASE REFERENDUM

“ Shall Kane County levy an annual tax not to exceed 0.1% upon the equalized assessed value of all taxable property in the county for the purposes of providing facilities or services for the benefit of its residents who are intellectually disabled or under a developmental disability and who are not eligible to participate in any program provided under Article 14 of the School Code, 105 ILCS 5/14-1.01 et seq., including contracting for those facilities or services with any privately or publicly operated entity that provides those facilities or services either in or out of the county? ”

- ★ Creates a new taxing bureaucracy
- ★ Kane County property taxes will be increased by \$13 million with more to follow.
- ★ Adds millions in unfunded pension liabilities to be funded with our property tax dollars
- ★ Will funnel property taxes to a private, 'not for profit' company
- ★ The State of Illinois is already taxing you for these services.
- ★ \$16.4 million tax dollars were paid to private 'not for profit' organizations for these services by Illinois last year.

This new board has only one function: to funnel the tax dollars collected to the company - an entire 'board' to write one check to the 'not for profit' organization. This property tax increase referendum has been put on the ballot by the not for profit company who will be paid with these new property tax dollars.

Polls open 6am to 7pm Tuesday, March 18, 2014. Early voting: 3/3/14 - 3/15/14.
