*Total Compensation provided by government through FOIA request. Totals may include payments that are ineligible for pension calculation.

Annual Pension Estimate Assumptions:

1. Assumes employee retires one year from now and this salary would be the second to last salary.
2. Assumes 41 or more years of employment, retirement age is 65, and pension is 70%
3. Plus Social Security assuming 4% salary increases over last 35 years.

Lifetime Pension Estimate uses IRS Life Expectancy Table (Form 590) at age 65 = 21 years
