- NOTES:
1. Assumes retirement after 30 years at age 55.
 2. Assumes 1.5% annual COLA after retirement.
 3. Assumes current salary is average salary for pension calculation because most have more years at higher salaries before retirement.
 4. Lump sum based upon 3% state contribution to ASA (Annuity Savings Account) using Guaranteed Returns option.
 5. ASA payment may be taken as annuity instead of lump-sum.
 6. University of IN pays both retirement and ASA, no employee contributions required.
 7. Other government entities pay pension and have option of paying ASA.
