

TUESDAY MARCH 18, 2014

Defeating this referendum will decrease property taxes by \$25 for an average home valued at \$265,000.

That might not seem like much, but after being hit with a 44% increase in Social Security taxes, and a 67% state income tax increase, why not enjoy a \$25 property tax decrease for a change?

- ★ While Glenbard residents are taking home less pay, School District 87 bureaucrats are asking you to take a pay cut to prop up their lavish salaries and benefits.
- ★ **309** District 87 employees make over **\$100,000** for less than 9 months a year!
- ★ Illinois struggles with 8.6% unemployment.
- ★ Illinois has the second highest property taxes in the country.

**80% of district spending goes to salaries and benefits of government employees!**

**See the other side of this flyer for the top taxpayer-funded salaries and pensions in SD-87.**

Polls open 6am to 7pm Tuesday, March 18, 2014. Early voting: 3/3/14 - 3/15/14.
