

TUESDAY MARCH 18, 2014

Defeating this referendum will allow your property taxes to decrease in 2015 and again in 2018.

Passage of this bond issue will irresponsibly extend the current bonds and increase their cost due to more interest.

- ★ Illinois struggles with 8.6% unemployment.
- ★ Illinois has the second highest property taxes in the country.
- ★ The turf project to be funded by this increase will serve only a very small percentage of the taxpayers who would be forced to pay for it.
- ★ Huntley Park District taxpayers have been hit with a 44% increase in Social Security taxes and a 67% state income tax increase, why not enjoy a property tax decrease for a change?

**While Huntley Park District residents are taking home less pay, park district bureaucrats are asking you to take a pay cut to prop up their lavish salaries and benefits.**

**How about they take the pay cut this time?**

Polls open 6am to 7pm Tuesday, March 18, 2014. Early voting: 3/3/14 - 3/15/14.
