

TUESDAY MARCH 18, 2014

Johnsburg government school bureaucrats have already voted to increase property taxes by about 1.7%, the maximum the law allows them without your vote.

Now they want you to approve a \$41 million bond issue that, if passed, will stop your property taxes from decreasing in 2 years — proving no tax is ever temporary and no bond issue is ever paid off!

- ★ Illinois struggles with 8.6% unemployment.
- ★ Illinois has the second highest property taxes in the country.
- ★ While Johnsburg residents are taking home less pay, School District 12 bureaucrats are asking you to take a pay cut to prop up their lavish salaries and benefits.
- ★ Johnsburg taxpayers have been hit with a 44% increase in Social Security taxes and a 67% state income tax increase, why not enjoy a property tax DECREASE for a change?

80% of district spending goes to salaries and benefits of government employees!

See the other side of this flyer for the top taxpayer-funded salaries and pensions in SD-12.

Polls open 6am to 7pm Tuesday, March 18, 2014. Early voting: 3/3/14 - 3/15/14.
