TAX ACCOUNTABILITY ENDORSES GAIL DUNHAM FOR MAYOR OF SUMMERFIELD, NORTH CAROLINA

Tax Accountability, the political action arm of Taxpayers United of America (TUA), has enthusiastically endorsed Gail Dunham for Mayor of Summerfield, North Carolina.

“I have known Gail Dunham for over 40 years, and for that entire period, she has been a champion of both taxpayers and the environment,” said Jim Tobin, President of Tax Accountability.

“As Mayor, Gail Dunham will work hard to preserve the quality of life that the rural character of Summerfield provides. Gail is concerned that developers are promoting planned developments with no density standards, no specific zoning, and with no comments allowed from the public.”

“Gail and her husband Ken moved to Summerfield almost 15 years ago. Since moving to Summerfield, they have fallen in love with the area and look forward to calling it home forever. Gail loves the Summerfield area so much that her daughter and her family moved there as well as many family members.”

“I strongly recommend a vote for Gail Dunham for Mayor on Tuesday, November 7th. As Mayor, she will work hard to preserve the quality of life that Summerfield’s rural character provides.”
