TAXPAYER AND ENVIRONMENTAL ADVOCATE GAIL DUNHAM BECOMES NEW MAYOR OF SUMMERFIELD, NC

CHICAGO—Gail Dunham, a champion of taxpayers and the environment, has been elected Mayor of Summerfield, NC. Two other candidates running with her were elected to the City Council.

Dunham was enthusiastically endorsed by Tax Accountability, the political action arm of Taxpayers United of America (TUA).

“I have known Gail Dunham for over 40 years, and for that entire period, she has been a champion of both taxpayers and the environment,” said Jim Tobin, Tax Accountability President.

“As Mayor of Summerfield, Gail Dunham will work hard to preserve the quality of life that the rural character of Summerfield provides. Gail is concerned that developers are promoting planned developments with no comments allowed from the public.”

“Gail supports the low density standards that have served her community so well through its growth for over 20 years, as well as specific zoning so that residents will know what will be built in the community.”

“I heartily congratulate Gail Dunham on a campaign well done. She will protect the beautiful rural quality of Summerfield, and its residents will have a mayor who will protect their family’s finances.”
