

VOTE **NO** ON TUESDAY MARCH 20, 2018!

"SHALL THE VILLAGE OF HOMEWOOD BECOME A HOME RULE COMMUNITY?"

What does Home Rule mean for Homewood?

It means you give away your right to vote on future tax increases or new taxes.

- Allows the village of Homewood to raise property taxes without limit and **WITHOUT VOTER APPROVAL.**
- Allows the village of Homewood to impose new taxes on businesses, services, parking, groceries, and nearly everything else **WITHOUT VOTER APPROVAL.**
- Allows the government bureaucrats of the Village of Homewood to protect, and even increase, their own salaries and pensions **WITHOUT VOTER APPROVAL.**

INCREASED SALES TAX

If Home Rule passes, the Board of Trustees has stated it will raise the sales tax from 9% to **9.25%** and gift the additional revenue, estimated to be **\$1 MILLION PER YEAR**, to other taxing bodies,* for 25 years! Three of these taxing bodies serve the residents of other communities including Flossmoor, Chicago Heights, Glenwood, Hazel Crest & Olympia Fields.

*Homewood School Dist 153,
H-F School Dist 233, Flossmoor School Dist 161,
Homewood Library and H-F Park District

Don't be fooled by "LIMITING" ordinances.

They **DO NOT** limit the ability of Trustees to increase your taxes without your consent. Home Rule is designed to transfer power and control from the citizens to the politicians.

*This amount does not include Social Security pensions. All listed government retirees qualify for Social Security pensions on top of their current municipal government pensions.

80% of local taxes go to pay salaries and benefits of government employees.

Illinois is broke because of an unsustainable pension system.

The Village of Homewood attorney has stated that, if the Village were Home Rule, the Board of Trustees could raise property taxes, **WITHOUT TAXPAYER APPROVAL**, if needed to fund Village employees' pensions as legally required by the State of Illinois.

Don't give up your right to vote on future sales and property tax increases!
