

VOTE **NO** TUESDAY NOVEMBER 3, 2020!

What does a Graduated Income Tax Increase mean for you?  
It means stealing from YOU to pay lavish, government employee pensions!

- Allows Illinois politicians to raise the income tax to whatever they want.
- Allows sky high Income taxes on the middle class.
- Enables Springfield to spend wildly, while you become poorer and poorer.

**THE GRADUATED FEDERAL INCOME TAX WAS SOLD TO TAXPAYERS AS A TAX CUT FOR THE MIDDLE CLASS.**

**HOW DID THAT TURN OUT?**

**TWO YEARS AGO, SPRINGFIELD PASSED A \$5,000,000,000 INCOME TAX INCREASE. THEY WASTED EVERY PENNY ON RETIRED GOVERNMENT-EMPLOYEE PENSIONS.**

**NOW THEY ARE COMING BACK FOR MORE.**

**What must you do? Vote NO!**
