Pension Estimate Assumptions:

1. Assumes employee retires in 1 year and this salary would be 2nd to last salary.

2. Assumes employee works 41 years or more and retires at age 65 and pension = 70%

3. Plus Social Security assuming 4% annual salary increases over last 35 years.

4. Security personnel have slightly different formula than regular personnel

5. Security personnel can retire at age 53 with 65% plus Social Security.
