TO DEFEAT THE \$650 ITASCA SD-10
PROPERTY TAX INCREASE REFERENDUM**

- ★ Itasca SD-10 bureaucrats are trying to tell you that the increase in your property taxes is 3 times less than it will actually be.
- ★ The law now requires the actual property tax increase to be stated on the ballot so why are Itasca SD-10 bureaucrats publishing tax increases at about 1/3 the actual amount? To deceive you!
- ★ Itasca residents struggle with 7% unemployment and yet are asked to pay \$650** more in property taxes.
- ★ Itasca taxpayers had a 44% increase in their Social Security tax and a 67% increase in their state income tax yet are asked to pay an additional \$650** in property taxes because SD10 bureaucrats are unable to control their spending.

**80% of District 10
spending is for
salaries and benefits
of government
employees!**

**See the other side of
this flyer for the top
taxpayer-funded
salaries and pensions
in District 10.**

While Itasca taxpayers are taking home less pay, School District 10 bureaucrats are asking them to pay even more for lavish salaries, pensions, and premium health care coverage.

**Based on the average home value of \$230,000

Polls open from 6am to 7pm on Tuesday, April 9, 2013.
