Avg Wage = 38,000

Median Home = 141,000

Unemp = 11.2%

\*TUA submits FOIA's for government employees' salaries, then estimates what pensions would be if the employee retired today and worked the requisite number of years. Annual pension is calculated at 75% of salary. Lifetime pension payout is calculated as annual pension beginning at age 53, collecting until age 85 (IRS form 590 LE).
