## Tax Accountability Announces its Candidate Endorsements

Chicago – Tax Accountability (TA), the political action arm of Taxpayers United of America, has announced its candidate endorsements for the March 15, 2016 primary election.

“I am proud to announce endorsements of such qualified candidates in these critical races,” said Jim Tobin, Chairman of TA.

“Illinois voters need to look long and hard at the records of the incumbents in every race and ask themselves if they are truly represented. TA can stand behind every one of these candidates who have pledged to fight tax increases.”
