[Ian Bayne](#) is a self-made, successful businessman who has fought hard to achieve the American dream. His fight has highlighted the need for government reforms that restore the power to the people. Ian has also pledged to protect taxpayers from any new or increased taxes.

“Every one of these candidates exemplifies the principles of Tax Accountability by standing on a platform of personal and economic freedom and have pledged to implement policies that increase freedom and reduce taxes.”

“2014 will be a pivotal year for Illinois. Taxpayers are fed up with the corruption, cronyism, and abuse they have suffered at the hands of a long list of career politicians who see Illinois taxpayers as the source of their own personal wealth. The time is right. These candidates have what it takes to win and to lead Illinois back to a vibrant, prosperous, and free economy.”
