6 Democrats Stand in the Way of Illinois Economic Recovery

Chicago – “Six Springfield Democrats, any six Democrats or all Springfield Democrats, need to be fired in order to demote Speaker Madigan to House Minority Leader,” stated Jim Tobin, president of Taxpayers United of America.

“Illinois is desperate for real change and it will only be realized by firing Speaker Madigan.”

“I urge everyone to watch our short video that explains why Madigan needs to go. The video is fun, but the situation is dire. Illinois is in desperate straits and Madigan has been calling the shots for 30 years; it’s not hard to connect the dots between bad policy and bad leadership.”

“Share this video with all of your friends; it’s an entertaining way to get the message out to every voter in Illinois.”
