Vote NO

ON HOME RULE FOR ELKVILLE

What does Home Rule mean for Elkville residents?

It means you give away your vote on future tax increases. It gives government bureaucrats a blank check with your signature!

Home Rule will do the following:

★ Allow the Village of Elkville to raise property taxes without limit and **without voter approval!**

★ Allow the Village of Elkville to impose new taxes on businesses, services, groceries, parking, and products like gasoline **without voter approval!**

★ Allow the Village of River Forest to protect their own salaries and pensions and even increase their own benefits **without voter approval!**

Without Home Rule, village bureaucrats can only raise property taxes with voter approval.

With Home Rule, village bureaucrats can raise property taxes without limit and can create NEW taxes on almost anything - without voter approval!

Home Rule *always means higher taxes.*

Polls open from 6 a.m. to 7 p.m.
