**ON THE \$400 EVANSTON/SKOKIE DIST. 65
PROPERTY TAX INCREASE REFERENDUM**

The politicians will tell you that the average (\$400,000) **HOMEOWNER** can expect a gentle **PROPERTY TAX INCREASE** of only \$127 a year.

The truth, as other taxpayers have discovered, is
THREE TIMES that—**\$400 or MORE!**

- ★ Government schools exist *of the administrators, by the administrators, and for the administrators.*
- ★ While taxpayers struggle to make ends meet, government teachers work in a privileged environment of high-paying guaranteed jobs, three months a year off, short days, and early retirement—all at an *extremely high cost to the hardworking taxpayers of Evanston/Skokie Dist. 65.*

80% of District 65 spending is for salaries and benefits!

See the other side of this flier for the current District.65 top salaries and pensions.

The days of special deals for Government employees ***must end!***

Tax-hungry politicians and government employees are trying to pass this tax increase referendum during the primary when voter turnout is expected to be low. If only 10% of the people in Dist. 65 vote, government employees can pass this referendum all by themselves.

Polls open from 6 a.m. to 7 p.m.
