“ Should the Village of Maywood elect to not be a home rule unit? ”

What does continuation of Home Rule mean for Maywood?

It means you give away your vote on future tax increases. It gives government bureaucrats a blank check with your signature!

Home Rule does the following:

- ★ Allows the Village of Maywood to raise property taxes without limit and **without voter approval!**
- ★ Allows the Village of Maywood to impose new taxes on businesses, services, groceries, parking, and products like gasoline **without voter approval!**
- ★ Allows the Village of Maywood to raise the existing Home Rule sales tax **without voter approval!**
- ★ Allows the Village of Maywood to protect their own salaries and pensions and even increase their own benefits **without voter approval!**

Home Rule ***always means higher taxes.***

Polls open from 6 a.m. to 7 p.m.

**YES TUESDAY NOVEMBER 6, 2012,
TO END HOME RULE!**

Before you believe their rhetoric, ask yourself how taxpayers would benefit by handing this power over to government bureaucrats!

What's in it for you? ***What's in it for them?***
