Nevada Government Pension Estimates Produce Excellent Press Coverage for TUA

Last week, [Taxpayers United of America](http://www.taxpayersunited.org) released the top pension amounts for Nevada state employees. Director of Outreach, Rae Ann McNeilly, held two well-attended press conferences in the state, one in [Las Vegas](#) and the other in [Carson City](#).

Five network TV stations were in attendance and the resulting press coverage speaks for itself. TUA received excellent press coverage from:

- [ABC 13 Action News | Report: Nevada's lavish pensions are unsustainable](#)
- [NBC My News 3 | Pension plans under the microscope](#)
- [NBC News 4 | Group fears "staggering" public employee pension payouts](#)
- [The Patriot Post | Spending Drives North Las Vegas to Declare State of Emergency](#)

Of particular note was the [ABC 13 Action News](#) story from reporter Blake McCoy. To see the story, click on the image below:

TUA will be revealing more states' pension amounts across the nation, including those of Arizona and Florida in the coming weeks.

We appreciate your support. It is [your generosity](#) that makes all of this possible.

Founded in 1976, TUA is one of the largest taxpayer organizations in America.
